

On March 26, 1997, the District Court established procedures by which plaintiffs are to collect periodic attorneys' fees and costs in this case in connection with their work monitoring defendants' compliance with the Court's Orders and collecting fees.

Pursuant to these procedures, certain fees and costs remained in dispute from the fourth quarter of 2005, and the first, second, third and fourth quarters of 2006. The parties completed their meet and confer on these disputed items on May 21, 2007, and have agreed to resolve the dispute by payment of \$40,420.00 on the previously disputed items (the "settlement"), with the exception of fees incurred in connection with Plaintiffs' Motion to Convene a Three-Judge Panel, as described below. This settlement shall not preclude either party from raising in future fee and cost disputes any arguments presented during the meet and confer discussions leading up to this settlement.

Disputed fees of \$7,508.50 incurred in connection with Plaintiffs' Motion to Convene a Three-Judge Panel shall be carried over into calendar year 2007, shall continue to remain in dispute unless otherwise resolved, and shall be subject to and resolved under Paragraph 4 of the 1997 Periodic Order re Fees.

Interest on the resolved amount of \$40,420.00 fees and costs will run from the date this Order is entered, accruing at the rate provided by 28 U.S.C. § 1961.

WHEREFORE, IT IS CONFIRMED that \$40,420.00, plus interest, becomes due and collectable as of forty-five days from the date of entry of this Order.

IT IS SO ORDERED.
